"If people knew how **KFC treats their chickens**, they'd never eat another drumstick."

actor **Pamela Anderson**

"[KFC should] do what [its] animal welfare advisory board has asked and replace current animal-handling methods like throat-slitting and crude manual catching with less-violent methods like gassing and automated catching."

"If KFC suppliers treated dogs or cats the way they treat chickens, they could be charged with the crime of cruelty to animals." —Rock icon **Paul McCartney**

Please join us and millions of other Americans in boycotting KFC until it stops cutting off the beaks of baby birds, breeding and drugging chickens until they collapse under their own weight, and scalding live animals in the slaughterhouse. Visit KentuckyFriedCruelty.com to learn more.

"KFC's executives should be ashamed of themselves, both for the way they treat their chickens and their heartless refusal to do anything about it."

"KFC has consistently misled the public about the way their animals are treated, but no amount of corporate lies can cover up their cruelty." Comedian and civil rights activist **Dick Gregory**

"You may have heard of KFC's 'secret recipe,' but you probably have no idea what it involves. The main ingredient is cruelty."

Bea Arthur

"Please join me, along with millions of other Americans, in boycotting KFC restaurants until the company agrees to meet PETA's simple demands to eliminate the very worst abuses."
